RESPONSE

Sir:

This paper addresses the Office Action mailed on February 27, 2003. The statutory period for response has been extended to August 27, 2003 by payment of the requisite fee for a three-month extension.

Claims 1 to 21 are pending in the present application. Claims 1 to 21 stand rejected under 35 U.S.C. § 102(b) based upon an alleged public use or sale of the invention. These rejections are respectfully traversed by the following remarks and the declaration under 37 C.F.R. § 1.132 filed herewith.

Remarks

In order for a claim to be invalid for a "public use" under 35 U.S.C. § 102(b), a machine or article embodying the claimed invention must have been on public display or the inventor must have allowed another person to use the invention without limitation, restriction or obligation of secrecy to the inventor more than one year before the filing date of the application. *In re Blaisdell*, 242 F.2d 779, 783, 113 USPQ 289, 292 (CCPA 1957); *Hall v.*
